ID600-UP-ID-PRO-LIZENZ
ID 600 Upgrade License

- The ID600-UP-ID-PRO-LICENSE upgrades items from the ID-600 series, enabling the high-performance reading of directly marked codes on difficult surfaces. This enables, in particular, reliable detection of etched, needle-embossed and laser-engraved ID codes on difficult surfaces.
- To activate the upgrade, the license file is simply transferred to the sensor using the nVision-i Start interface.
- The serial number of the device is required for the license creation. Please enter the serial number in the comment field when placing your order.
